MONTHLY REPORT, ✓ CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

There is a lot of activates going on, The men started a new Alaska native Brotherhood hall, a building 110 X 60 ft. Angoon was pick for the convention next Fall, so the hall will be completed by the first of Nov. I do not see how it could be done, as there is no money at all, however, the men are working Sundays and all. Our attendance will drop next month, for a show or a movie will be on twice a day Sundays, so they can raise enough Money to keek a going, it is rather discouraging. However, $150 was raised by the members towards, our 1959 Pastor's salary. I started a children's Bible but just about the end of the month I got the flue, was in bed for about 3 weeks. The Community is working to put a sewer, also a much needed water tank Our new school is finished and being used. So everyone is busy. I am trying to get our members intrested in the program of the church, maybe in time they will.

I was down with the flue for nearly the whole month there was a lot of sickness in the village I was unable To make any calls, however, I tryed to have a service on Sundays, Andrew Gamble, took one Sunday, for me as I had to be in bed. I am much better and up now. I went to Juneau, for a check up the first part of the month.

Just about all the men are busy working on the New Brother Hood hall, Our Church needs a new foundation, we will have to get new posts, but the weather is bad right now. There has been a lot of old Indian dances going on, and two shows on Sundays, raising money for the new hall, it is so discouraging

Every one is busy on the new hall, still no time for anything, the people will be all busy for another year

The state, is going to drill a new well for the town Next month, will also dig in a new sewer line for the town, there are men here now getting things ready for the project.

Mr. Latta, Mr. Doig, and a carpenter were here to fix up the manse. A study and one bed room is complete I have the second story of the manse or I am painting it all up. The men left but are returning to finish up soon, they did a good job. It will be a good manse when it is finished

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The community has been out of water now for seven weeks, so just about all the families moved up to Hood Bay. A drilling outfit is in drilling for water, they went down 240 ft. but no water, so they will drill at a new location sure wish they strike water.

I talked with the Supt. of the Hood Bay Cannery about a place for a worker to stay. Mrs Swanson told me that the workers of last summer wanted to come back, but there is no house. if the boats, (Princeton Hall or the S & S 11) are not going to take a WCS teams around I think I will go up there once a week with my out board. I have not heard the plans of Mrs. Swanson as yet. I will try and see her on my way to Synod.

Heres wish that we have 4 or 5 days of good rain so we could get some water.

NARRATIVE SECTION OF REPORT

✓ (Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

The people of our community are all up at Hood Bay getting ready for the canning season. It has been raining a lot so we have some water for which I am thankful.

I attended Synod, I will have to go to Hood Bay on Sundays to conduct services on Sunday

Since all our members are at Hood Bay, I spend 2 Sundays there and held services. I did Not go up after the Princeton Hall got there so I had services here.

The fish is slow comming in hope it will get better.

There is more drinking going on at the cannery this summer.

The fishing season is over, this being the Poorest season in history. All the fishermen went in the red. However, the cannery workers got paid by the season, this puts the cannery at Hood Bay way in the red. I made two trips to Hood Bay during the month of August and made calls and held services. There was a lot of drinking at Hood Bay. The people are all back trying to put up fish but there is just no fish.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Community is very busy getting things ready for the Alaska Native Brotherhood convention. I just wonder how we can do it after the poorest season in history. I tried to start our Sunday Church School, as yet the Children does not turn out, it is rather hard to get a program start before November. The men are out hunting and the women smoking fish. I had a very bad cold now for about two months, I am feeling much better now

The men of the community are out just about every day hunting and fishing so they can put up food for the winter. Most of the families moved away looking for work. It is rather hard to line up Church School Teachers. I just have to make a one class and do the best I can. Very few turn out for Church.

NARRATIVE SECTION OF REPORT

(Original and 3 carbons) ✓

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

I was up to Anchorage, for the meeting of Presbytery the first week of the month.

A convention of the Alaska native Brotherhood and sisterhood was held here starting the second week of the month, Angoon was host to 118. Indians from all over the state were here. Many problems were talked over. There has been a great change made for the Alaska Indians. Before we became a state we could get fish and game for our own use, but now we can't. Things are a lot harder for us. The heads of the different Departments we here, the Governor was here also to discuss our problems.

A relief Project was started here. the men found a spring of water which was badly needed, they are now working on it. The Sheldon Jackson, Jr. Choir came over and spend the weekend.

I have 3 new teachers for our Church school I am sure, they will be faithful

If you have confidential problems, write us separately and mark "personal."

Things are rather quiet around the village. Some of our men went out trapping for the hunting season for 6 weeks, which was a great help for all as there was no money made at all. Our community is going through a hard winter. I had to go for a medical check up during the month.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

NEW BUILDING: The new building came up for discussion at the annual meeting, and necessitated a recess for a week that the congregation might have time to ponder. Results were that we will hold a fund drive within the next two weeks and following the results of this drive will make the plans accordingly for the new building. The building planning committee submitted plans for a one story 28x100 building, costing $52,000 which would house the sunday school that we now have. Though the plans were good the congregation felt that it was too little building for too much money. As soon as the results of the fund drive are in we will 'dicker' with the Board for a loan and we still hope to get something in or on the ground this summer. There is, at the present time, over $10,250 in the building fund but for the most part its growth will be slow until the pledges ~~began~~ begin to come in.

MISCL. FROM CONGREGATIONAL MEETING: The congregation also voted to increase the benevolence budget by 5% making a total of the current expenses at 20%. Actually when the one great hour of sharing and the Chapeladies giving is included the benevolence total will be about 25% of the current expenses. We have also, finally, included the Sunday School in the church budget. Up to this time they were financed separately. This is a move toward possible introduction of the Youth Budget next year. The increase in the pastor's salary share by the church was small as there was the realization that the church would have to pay heavily for a new building and depending upon the outcome of this year, we could, if everything went well return to our increasing by $400 or $500 a year next year. The meeting was well attended, and the spirit was good - though possibly a little warm when the building was discussed. There is no longer any need to 'create interest' in the building. The interest is there - we must just get on with the job.

OTHER MISCL.: The choir has been revitalized and with new green robes, the first robes ever in the Chapel except for short white robes made 9 years ago, is practicing regularly. . . . An adult communicant class begins this next month which we hope will increase the Chapel's roll. We have been working hard on cleaning the present roll that we might have an accurate idea of the Chapel membership . . . The kitchen addition is under way with the sub-floor in and one wall up as of the present time. . . . Chapeladies begin a schedule of one meeting a month during the day and one meeting an evening.

Sincerely,

Ken Smith

Rev. Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

MANSE IMPROVEMENT: The volunteer work figure on the other side of the report represents work accomplished on the manse kitchen. The kitchen is now up, the roof is on and the siding is shingled up to the windows, which have not arrived from Seattle as yet. The wiring is all ready for the wall board and at the same time some of the wiring in the manse has been changed. (In one case we found a wire that was joined to another just by a twist of the wife and which was lying in dust with no insulation - we've been living right!) As soon as Alaska Steam gets the windows here we can finish the outside work and put in insulation and get on with the fitting of cabinets, placing of appliances etc. All the new materials for the changing of the bathroom are in the carport waiting the completion of the kitchen. The volunteer labor on the part of a few has been very good.

NEW BUILDING: This month the fund drive was held. It was felt that we should conduct the drive locally and so the two week drive received pledges of over $17,000 with many people still to contact. The building committee has been meeting and will continue to meet, now awaiting the return of Bill Prichard. When the Bldg. Committee reports to the congregation the information will go on to New York. Our main push is speed, that we'll have something to move into this summer.

MISCL.: The afternoon changes for many of the programs have been very satisfactory. We've been dueling with measles, mumps and chicken pox and will be glad when the local rage is over. The Chapel young people have again taken on the task of publishing YAP, the Youth of Alaska Presbytery paper.

Sincerely,

Rev. Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

MANSE IMPROVEMENT: The kitchen is now in use. All the insulation has been installed, the windows are in and the wall board is in. The kitchen cabinets are finished and set in place, stove and sink are operating and the wall between the old and new kitchen is gone. There is still much finishing work to be done in the kitchen but there are also some changes being made in the bathroom and there is little use in finishing the kitchen until the bathroom mess is finished and the two units will be finished together. Mr. Smith, the minister's father, has been instrumental in doing a great share of the work in the kitchen, doing the major part of the insulation, wall board work, flooring work and all the work of putting together the knowk-down cabinets. Rain has held up the exterior work but with the coming of dry weather (who's kidding whom) we'll get that finished. The volunteer work done by the minister and his father ~~###~~ is not included in the work total on the other side of this report.

NEW BUILDING: The building committee has been meeting as often as feasible and on the 11th of April the Congregation will vote on the plans submitted to them. Many plans have been considered but for the most part the original plans still are the most acceptable. At the present time we have $12,500 in the savings fund which is back to its growth of about $100 a week.

OTHER ACTIVITIES: Many of this months activities have been curtailed due to sickness. Flu and come and gone and come again and there has been much illness which of course affects the church program. The Coffee Hour has become a regular affair, following a morning worship service once a ~~##~~ month but will probably be more appreciated when there is a larger space to hold it than in the narthex of the Chapel. The Chapeladies Pie Social had likewise been planned for some time and was very successful when finally held. We have attempted to have some week day activity for the Junior age young people but all attempts have been been to no avail so for this school year we'll do nothing. Possibly next fall with more room in which to work the plan will be more successful.

Sincerely,

Rev. Ken Smith

Rev. Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

MANSE IMPROVEMENT: The exterior of the kitchen has had a few bundles of shingles nailed but Easter and the beginning of the fishing season pushed up the interior work.

NEW BUILDING: There has been much discussion concerning the new building. The application for the application for aid from the BNM returned with Mr. Penn's suggestion that we scale the cost down to $50,200 which we have done. Presbytery Corporation has the papers, elevations have been taken and the architect is now working on the construction sketches. Preliminary arrangements have been made for excavation and the land is now being stripped when the new building will be placed. Part of the revised calculations include the separation of the structure from the present Chapel building, to be connected with the Chapel building with a covered breezeway. At present building fund totals over $13,000.00.

NEW MEMBERS: This is perhaps the most encouraging group of new members that the Chapel has received into membership. For the most part they are local people who had very little interest in the church and the church's program and over a period of years, the last three or four, they have accepted Christ and united with the Church. The majority attended Communicant classes and entered into very good discussions and the others will be attending a class in the fall. There is much local building in the area and to a great extent the weather will determine how many families are far enough along to move into the area by fall. There is a slight feeling of hesitation on the part of many people because of the possible move of the Capitol from Juneau and of course we have a few families that will be moving as more and more state agencies take over federal posts. Over the years, though, the Chapel is growing - both spiritually, numerically and plant wise.

MISCL: We've had our first taste of tourists so that summer is finally here . . . Ken's Dad will be returning to Auke Bay to live with the Smith family. He's retired and feels that there might be enough work around the manse and new building to keep him plenty busy. . . Easter showed the impossibility of running two worship services and a Sunday School program . . . the minister now owns 43% of the SEALARK, Paul Moyer's boat, and hopes to fill the locker with fish . . . the young people put on the Sunrise Service by themselves this year, taking the entire service . . . one of the new members has taken charge of the Chapel flower beds which are beginning to look wonderful . . . WF young people are raising Pansies for tourists as one of their projects this year - give-a-way, not selling . . . while clearing land for the new building we are also clearing land for a larger lawn for the manse. . . and so it goes. Hashi has 7 more Beagle pups - none of which are income tax deductable.

Sincerely,

Rev. Ken Smith

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs, and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

NEW BUILDING: All the papers have been submitted to the BNM for the application for the two $10,000 loans. Because further planning located the building 60 feet from the Chapel and 20 feet from the manse it has been necessary to do further clearing and we are in the midst of that at the present time. The first major expense for the new building has been the purchase of a chain saw which is helping greatly in clearing and will also help in the burning of stumps. Clearing continues and we are planning now for excavation and for the sub-contracting for the basement construction. Building fund totals $3,800

MISC: With the coming of summer many of the Chapel activities will change their status. We've been unable to find a good time for the Jr. Hi WF to meet so will continue at odd times during the summer. The Senior Choir has disbanded for the summer and Chapelaires have moved into the once a month schedule. The Chapel is sending the largest number of young people ever to Rainbow Glacier Camp with a total of 20 attending the four camps. The minister's father is expected back in Auke Bay at the end of this month to make his home permanently with the family.

Sincerely,

Ken Smith

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

It seems that a major portion of the month of June was spent away from the Church. We conducted the Southeastern Alaska Seminar the second ~~month~~ week of June which took us to Haines, Sitka, Kathlean Bay, Petersburg, Wrangell, Lincoln Rock Light House Station, Ketchikan, Metlakatla, Rats Harbor Logging Camp, Kake, Five Finger Light Station an' back to Auke Bay. Each place was discusse' before we visite' it, there was a tour of the place, depending upon the time that was allowed, an' following each visit there was a discussion on the work that the church is doing in the particular place. We also used 11 reference books on Southeastern Alaska and attempted to delve into the background of Alaska as well as the culture of the Indian peoples. We felt the entire venture very worth while. Each intividual expressed a desire to spend more time in most of the places an' there were many expressions that the group would like to contribute something in some way of service to each place. Of course the time element, the AJ had to return to Haines within the week to return Jr. Hi's home from camp, kept us from any type of service. Mrs. Wm. Miley, who was cook on the boat, an' Dick Nelson contributed much as 'd' those camp staff that were returning from Senior High Camp. Then after a week in Auke Bay we went to the Synod of Washington meeting at Spokane which, though valuable, took another week away from the church.

Most of the summer problems of course made themselves felt. There is a discontinuance of some of the activities because of vacations an' of course the tourists arrive' again in full force, though not in as great numbers as last year.

The Building Committee has met an' ironed out several of the smaller items that are necessary to complete the loan, which was granted this month, an' also to complete many of the plans for the building. During June we contacted Mr. Louis Lehneyer who wew ant to come to Auke Bay to supervise the buil'ing.

Sincerely,

Ken Smith

Rev. Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

HOUSE REPAIR: While the carpenters were waiting for the back-hoe to excavate the basement for the new CE building they spent their time finishing the work in the kitchen, enlarging the bathroom and finishing the carpenter work. My father has also worked at the plumbing in the bathroom which really means that the parlor has spent its time waiting on the kitchen addition. The oil tank for the manse has been moved to the Chapel side of the house and has been buried.

VACATION BIBLE SCHOOL: The quality of this year's vacation Bible School was very high but the quantity was lower than usual. This was probably because of many factors though it is difficult to pin it down to any particular factor. Because of the building need it was necessary to continue the stump pulling while the VBS was in progress and then to have the Junior High Section meet during the afternoons.

C E BUILDING: The month began with a further clearing program. Because the building was placed further away from the Chapel than originally anticipated, in order to allow for a future sanctuary if necessary, more clearing was necessary. Trees were cut, stumps pulled, for the most part into a large stump patch that is still with us and then finally the backhoe arrived and dug the basement hole. The digging was volunteer style which leads to a question. We are keeping track of all volunteer time, and as far as possible, the various jobs that are being done. Do we rate volunteer work, such as back-hoe operation, at a dollar an hour or the usual going rate of $5.50 an hour? As of the end of the month the footing forms were in, gravel is being pounded into the area that will be the floor, lumber is all over and the beams are ordered. In each case the whole building program seems to be fitting beautifully into place which leads one to definitely conclude that we do not build alone. Mr. Lahmeyer is working, for $300/mo. + board and room, and we are hiring two men, Glen Fourie and Jack Bowling @ $3.00/hr. The volunteer help so far has been very encouraging and the building committee is doing an excellent job of meeting and deciding.

MISC.: Because of the building pressure there has been a reduction of calling for this month. The tourists continue to come and the program of the Chapel has seemed to fit into the usual summer program.

Sincerely in His service,

Rev. Ken Smith

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

MANSE REPAIR: The painting of the wood work in the manse has been completed and all that is left in the way of work is the finishing of the wall painting. This has more or less been laid aside until the new Christian Education Building is completed, or at least enclosed as we face a weather problem there. We also must finish the shingling on the outside of the kitchen and paint that before snow flies but that can be accomplished during a lull in the building.

C E BUILDING: The new Christian Education building progresses: The Basement walls and floor slab, with the exception of the rest rooms, is in and complete. The ceiling trusses, of the floor trusses for the second floor are in and the sheeting is going on. The materials are swamping the chapel area which is encouraging in that we don't have to worry about transportation on such matters. The volunteer work has been very good and has included people working in the following ways: cleaning and clearing of muskeg, shoveling gravel, hauling lumber, nailing lumber for basement forms, forming and burning of stumps (some thing we're going to have with us for a long time) Pouring concrete, tearing apart the forms, hauling of lumber, sizing and cutting of same, partial of water line dug, nail pulling etc. The first part of the construction has been particularly difficult as we've had to work in the rain and mud. We are not completely out of the mud but most of the work from here on out will be high and dry work.

VACATION: The last week and half of September the pastor vacationed in Sitka, catching up on reading, comparing notes with friends and acquiring some new building hints.

Lee Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided into the following parts:

CHAPEL PROGRAM: The fall program has again gotten under way. For the most part the various organizations continued to function during the summer thoug possibly at reduced numbers. The choir has reorganized with a greater number of members, the Senior Hi WF likewise has more active members than last year. There is a very good group of Jr. Hi's and we look forward to working with them, though we'd look forward to it more if there were other advisors to help with eac of the WF groups. The new space afforded by the CE building will be greatly appreciated. Chapelaires, making not quite so great an improvement, has decided to change some of its activities and to approach more of the women for membership.

NEW CE BUILDING: Progress continues on the CE building. The laminated arches are up for the all purpose room, all walls are up for the room and the roof decking is in place, with the insulation and tar paper on it. It may stay this way for the rest of the winter depending upon the weather, as there are other things of more importance before the freeze up. The building is completely surrounded by drain tile and the entry way is to the wall stud stage. All windows have been prime coated and the siding is nearly complete on the front section of the building. The wiring is pulled in both the basement and the social hall and all the fixtures are on the premises. Volunteer work this month has included lifting the laminated arches into place, floor decking, wall sheeting, wiring, lumber hauling, painting putting on of the roof decking, insulation and tar paper, cleaning of grounds, pulling of nails and stacking of supplies, and siding painting. To be completed before the first freeze are all back filling, cellar entry way at far end of building, digging and installing of septic tank and roofing if possible, plus water and power ditches to the building and power ditch to the Chapel. The minister has been spending quite a bit of time helping to get the building in the dry and calling has suffered this month. With another week's help, though, things should be ready for inside work with the exception of the above mentioned items.

MISCL: The visit of Miss Ruth McClure was very fine for our SS teachers. They were probably the best two hours of concentrated SS work that has ever visited the Chapel. We will have three new teachers beginning the first of October and are still striving to have sponsors for the Westminster Fellowship groups. The building, the spiritual life of the congregation and the program of the Chapel need much prayer and a mention in the meetings at 475 would be greatly appreciated.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, (CONTINUED) (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report is divided into the following sections:

CHAPEL PROGRAM: The Chapel program has more or less settled down to the usual fall schedule. There seems to be a 'waitingness' of the people for the completion of the new building, at least to the stage where we can use it. We were visited by Rev. Bill Prichard at the end of this month and this has had a very good effect on the Session, making them much more aware of their own responsibilities. There seems to be a new feeling of making the church grow and with the facilities almost ready the outlook continues to be bright. (Sometimes I wonder about the optimism that I show in this report) Our main problem has been evangelism and there are even indications that there might be some improvements in this phase of the work.

NEW CE BUILDING: It is difficult at the end of the month (or in this case later) to tell of each stage of progress as every day finds a little more done. Progress this month includes the completion of siding on the front of the building, and half of the siding on the back half, clearing for the excavation for the sewer line and septic system, painting of more siding and much sorting of lumber within the building. The back entry steps are formed in and await the completing of the rest room rough-in. Insulation has been started in the main part of the building and the entry way has been framed, sheeted and the roof (decking, insulation and tar paper) is on. More wiring has been done, both upstairs and downstairs. We have also received the finish material order consisting of wall board, insulation, doors, sub-flooring and various trim. At the present time only one man is paid on the job, Mr. Jack Rawding, though the minister's father is helping as much as possible and the minister helps when possible. Our usual good (for ducks and whales) weather continued throughout the month so that people are hesitant about 'swimming' around doing volunteer work. We have an old wood stove in the basement of the new building and are in the process of drying out the building cheaply, by keeping it burning about 18 hours a day. The building has been put up completely in the rain with water soaked lumber. When the hunting season is over we look for more volunteer help (also when there is more inside work to be done)

WF ACTIVITIES: The Senior High WF has probably been the busiest group around the Chapel this month. They conducted a clothing drive - handing out leaflets one Sunday in the Community, collecting the clothing the following week and then spending two days sorting and boxing the clothing and finally taking it to the Anna Jackman where it is shipped to Wrangell and thence to Japan. Total for the operation was 1856 pounds. They also Trick or Treated for UNICEF gathering a total of$191.59. This next month they look forward to hosting the Youth of Alaska Presbytery Meetings.

Sincerely in His service,

Ken Smith

MONTHLY REPORT. CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

NEW C.E. BUILDING: Finishing work continues on the building. As weather permitted the shakes were put on the roof, though it is a slow and tedious process and therefore seems to cut down on production. About ¼ of the roof, the main roof that is, is now shaked. Snow prohibits much work at the present time. The wood stove has been kept fulland hot all month long and this meant that some time had to be spent in cutting the wood. The building is about at the point now where it is dry enough to begin putting on the finish materials on the insile. All the siding has been put on the outsdie but the entry way and the end nearest the manse. The insulation is complete and the plastic vapor barrier is now being applied, as an allied vapor seal. The ceiling joists over the kitchen and study are in place and all the walls and partitions have been firebreaked. More wiring has been done and the basement walls are being sheeted, probably 2/3 finished. Ceiling tile has arrived and likewise the firring strips. The door casings have been fitted to all of the exterior doors and we hope to get the doors on this month. The heater-plumber has finally arrived (at the end of the month) and there are more prospects of non-wood heat in the near future. We have more or less set the first week of January as the target date for the completion of the basement rooms, to the place where they can be used for Sunday School and the social hall will be finished as time permits.

PROGRAM: The regular activities of this month were more or less broken into by the meeting of Presbytery at the beginning of the month and the meetings of Youth Presbytery at Auke Bay at the end of the month. Though the Youth of Alaska Presbytery meetings were not as well attended as the first year they were held still we feel that the united feeling of the group was much better and that the year long results will be much better. If, of course, was good the the Chapel in that they have an opportunity to serve the rest of the Presbytery, which is something that has never been done by the Chapel. The other Chapel organizations are working on plans for this next year and there is an anticipation of increase in program with the new availability of room.

Sincerely in His service,

Rev. Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

C.E. Building: The end of the year saw all the sheeting, but one room that the plumber has to use and also has to have access to for the kitchen plumbing, completed. All during the month the two wood stoves were kept in operation and about the middle of the month another oil stove was added to help dry out the building. Much of the building is still damp and probably will not dry out until the permanent heating system is in operation. The kitchen and study area has the decking on the ceiling joists and the hall between the two has the ceiling deck in place. When the roofing deck over the entry way was in place the entry way proved to be darker than at once thought so this month also saw the cutting of a cross window into the entry way and the outside siding of the entry way except for the cross-window end. Ceiling tile and light fixtures are in place in three of the rooms, and more of the electrical work is done. The doors have been finished and the doors are being hung. An all day work party of young people put in all the sub-flooring (compressed chip-board). Much of this month was also spent with the plumber running lines where he wanted them, etc. As of the end of the month the heat is not in. More siding has been painted and many of the odd jobs and cleaning are being done.

PROGRAM: The more or less regular activities of this month were changed somewhat by the holiday season but with the exception of Sunday School on Christmas day things were normal. We are still undergoing a change in the community as far as personnel is concerned and our main need now is a regular program of visitation both friendship and also evangelistic. We've felt this for years and always there is a reluctance on the part of the people but the prospects for this new year are good. We look forward to more social activities on the part of the church group, something that has been more or less hampered because of lack of space, and this should do much to acquaint the congregation with itself. The couples club has again been started and promises to fill a gap in theoverall church program. The special programs were all well attended, even the Watch Night service which we had planned NOT to have. Because a few people did show up we took a sermon that had been mulled (but never jelled) for the following morning and still glorified God by our presence.

TELEPHONE: We now have a telephone in the manse and already it has proven to be a boon, blessing and burden. The telephone number is Juneau 6-3812.

Sincerely in His service,

Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of January was filled with new experiences for us. Storms by sea and storms my land with two cars often refusing to run at the same time. The only sure solution to our transportation problems would be to have both churches within a block of each other. Then we would only have to watch out for slippage on the ice and drenching. We are taking it in some ones stride, not sure whos!

Our greatest thrill was having four adults, two married couples came forward for a dignified alter call, confess Christ and meet with the session of the Craig Church for membership. One couple white the other native. Then in Klawock it was thrilling to have the daughter of one of the elders join the church on confession of faith. Also the two white Klawock school teachers. One of them on profession of faith. The other a brother to a Texas Presbyterian minister. Then a native school teacher and his white school teacher wife joined the church by letters.

It was also most encouraging to have a high of fifty in Craig Church School attendance the last Sunday of the month.

There are still very deep personality problems in the Klawock church, but it is encouraging to see the real effort they are making to overcome them.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences; special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

It was a delightful experience and appreciated privilege to attend the Washington Synod conference. (I had fully expected to spend four years in Alaska before seeing outside! It was most encouraging to note that the leaders of Washington Synod are interested and sympathetic to our Alaska and Yukon problems. Incidentally, I returned feeling just a little bit sorry for the people who are not privileged to live in Alaska!

I purchased two pianos and rest room fixtures as a gift for our two churches. Also wall paper and paint for the Craig manse.
The Craig children are delighted with the "bantams". They are the first the children have ever seen.

Dr. Earl Jackman asked Mrs. Grafton and me to do all we could to bring new industry into this parish. As We sat in his old Fifth avenue office we had no way of knowing just how badly this was needed. While in Seattle I worked and planned to the full capacity of my strength and wit with representatives of the International Resources Co. 315 Times Square. The results of these efforts are to be a newly formed corporation to lease the Local Libby plant. To bring here cold storage and an ice making machine. To sell fish from the entire area of South east Alaska. Also we have a new grocery store and free shipping from Seattle. The new grocery store is in operation already and has brought down prices in all other stores for both Craig and Klawock. I am absolutely thrilled and the people are smiling much more here. Pray that nothing blocks the leasing of the Libby cannery property this week for many large companys would dearly love to do just that. (Dr. Jackman and Rev. Prichard had dinner with these Seattle business men and me. I am deeply endebted to both of them for their influence on. Mr. M. V. Lingenfelter, executive field representative of the International Resources Company.

Our saddest problem is with the feuding leaders in the Klawock Church. But feel that we are making some long range progress.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Our most interesting experience this month has been guiding the leaders of both churches into establishing definate churc budgets for the year of 1960 and working on an every member follow through for pledges. Budget we established, follow through pledges we will finish so help me if I have to end up making the contacts myself! We also are canvassing the business people and parents of Church school children who do not belong to the church.

Mary Ellen Hall has decided to go to Shelden Jackson Jr. College this fall. She is one of four high school seniors to graduate this year.

Mrs. Bell the local Pentecostal missionary is desperately ill with a heart condition. She is leaving today if the plains fly. She has done her best. This will leave both communities with the Graftons as the only outsider missionaries. We hate to see the people vascliating from one church to another. Attending most of all the various meetings but assuming responsibilities in none of the churches. We are trying to cure this condition by kindness and coorperation up to a reasonable point. (I hope you will not find it **not** amusing to hear that I gave money to help the Pentecostal missionary leave town!)

I feel that your questionare for applicants to the mission field is as complete as a questionare could be. But at the same time I feel that a clearer picture should be drawn for each applicant of the field he or she goes into. I can see most young people going through a stage of upper confusion their first fiew months unless they can face realistically the local problems and analize their place in them before they arive. Even after being on the field for a little over six month I would appreciate very much a seminar on the particular problems, hopes and ambitions of the many types of people making up our parish.

Our inspiration of the month was the trip to presbytery at Juneau via the Anna Jackman. We saw all our mission towns and churches this side of Juneau and selebrated our silver wedding anniverasary the 26 th. aboard on our trip home. Mrs. Nelson baked a cake! Bless her! I have burned over two hundred feet of large water soaked logs in our manse yard and plan to keep it up until they are all gone. We hope to paint the manse and church before the summer is gone.

We have eleven children signed up to go to summer Jr. High camp at Haines. Mrs Grafton and I plan to go with them. Leaving June 8 th.

We have paid both Craig and Klawocks per capeta tax. Most of which had to me my money. We are doing much better with our church finances with a workable 1960 budget but it is a long up hill struggle. We still become more and more convinced that our work could never survive here without Gods help and the prayers of a very fiew p eople. We so much appreciated Dr. Jackman's visit.

We were uplifted in spirit by the visit of Carson, Moser, Pritchard and Ziger. All the same day. Yesterday brought Mrs. Salsbury and Miss Maloney. They were so filled with christian love that our church women were thoroughly inspired. Mine and Esther's hearts were warmed to deep gratitude for the efforts of the board to send them. I wish all the people of the world could meet and be loved by such wonderful ambassadors. It would make the world so much more at peace.

Our people are trying harder. Some of the alcoholics have asked me to start an A.A. club. Would you please send me some material. I feel these men mean business.

I have lost fifteen pounds and payed $200.00 clearing much of the fifty year old logs and stumps on our property. I feel better and the place is begenning to show signs of hope. Thank God for Bill Prichard's speech at Presbytery!

We leave in the morning on the Anna Jackman with 13 children for Rainbow Glacier Camp. I wish I were twins for I feel that this parish should not be without its minister for even a week.

INSTRUCTIONS

Report for the month just completed and voucher for month just beginning should be prepared in quadruplicate on the first of each month, and distributed as follows: a. Mail original (perforated sheet), with voucher attached, to the Office for Field Service of the Board in New York or elsewhere as directed. b. Mail copies of report as directed by Synod or Presbytery headquarters. c. Retain one copy for church files.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The trip to Rainbow Glacier Camp on the Anna Jackman and the Junior High camp was an experience Esther and I shall never forget. If our Craig and Klawock children could live year roung in such a wonderful christian enviroment how wonderful it would be for them. Even those with the worst frustrations fully responded to the fine Christian program.

Here at home we are seeing our seasonal slump and frankly I can see no excuse for it.

The conferance in Ketchican was good as a probing fact finder. I can not see the results changing the program of Presbyterian Missions in Alasca "over night." No matter what we decide to do, nothing will ever take the place of a committed missionary in each parish.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

We had a wonderful vacation, traveling on the Norman D, the Ketchikan and by air. We saw most of South East alaska. Viaited most of our churches and met many of our people. Mrs. Grafton spent five days in the Petersburg hospital. She has not completely recovered from a catch in her back. We were greateful to be near a hospital.

We sincerely hope that the meeting with the special Alaska Missions will prove of gre"t value for the future. I sincerely hope that what ever is decided will be with adequate planning. Nothing is going to bring about any immediate changes or advancement. Just living among these people and loving and respecting them is so very necessary. I feel that Earl Jackman knowes more about the true need and feel of these people than any dozen "Johnie come latelys" including all Board members and little old me. I sincerely hope that we will not walk out on any of these native villages.

We were thrilled to be able to conduct Daily Vacation Bible schools in both Craig and Klawock with out the assistance of outside help. Seven of our high school Craig gilrs made up our staff. While in Klawock we camped out in the Manse. The car broke down and I had to use my boat to shuttle supplies.

It was encouraging to have the Klawock mothers and the staff members mothers surprise us with food for we had made no request.

We greeted a completely new Public school teaching staff in Craig with the exception of one, Mr Lambert Dermert who is one of our elders. What a thrill to have all of them regular in worship service and to take part in all our Church and community activities. The real thrill of the month was to see the eagerness of the Saltsburg people for their Church. I pray daily that we will not be forced to neglect them because of shortage of ministers. The young man there on a temporary basis is most sincere and well accepted.

We are happy to have our newly organized Junior age Bible Club organized and popular with all the children in town of this age group.

Also we are finding our monthly church dinners and sings; orations well attended.

We are greaved over the tragic death of Fred Gardner, son of one of our elders, Mrs Elizabeth Gardner.

Our local A&B hall into the bay and we are tearing it down and rebuilding it on land close to our small business district. Planning to use it for bobby club activities and community recretation.

I have been appointed chairman of a special committee to study and report to the City Council on proposed Licour law inforcement. Some solution to this problem looks more encouraging now than it has been in the last many years.

We are much encouraged to have Craig finally start a community association. More interest and cooperation is being shown than has existed the full year.

Also the ANB AANS are working hard. I was privileged to attend the annual convention at Angoon.

There are twice as many traveling families spending the winter in Craig as we had last winter. Many of them had lived in Craig before and are helping our town.

The Klawock Church group are just holding their own. They are a more hopeful and will make no attempt to hold Church School or worship services when I have to be out of town. I wish we could have some one live in the village with them.

We are happy to announce that our Craig church now has both a senior and junior choir.

We have a new road in front of the church and a new gravel walk at the side of the church.

1 Community Association dinner	38
1 Community improvement project committee meeting	5

The women of Craig made enough Christmas toys to give each child in the community a present. I wish you could see the art work.

I went out twenty six miles in my speed boat to winter harbor to bring in an abandoned fish packer boat. Took one of the sons of the author, "A Sailor loves the Sea" with me. I also picked up one of our own church members who was adrift in a powerless skiff last Monday. It was storming and his motor had caught on fire and he had thrown it overboard! I ran one Greg Johns trap line for him while he took care of the local Ellis Air Lines station while Fred Hamilton, our Session clerk was sick with the flu. Young Greg is a newly elected Deacon. His work, enthusiasm and sincerety inspires Mrs. Grafton and me when we see so many areas where so manyare depressed.

You would have been amused with our Klawock children on Christmas morning. The girls all showed up for Sunday School with dolls and the boys with pistols and guns. Mrs. Grafton had brought a huge woven basket sent from Central America. I had to have all the boys check their fire arms in the basket before we could dress them for their Christmas program. Our young "Joseph" all but fainted. He was dressed in my sons gaudy bath robe. He stood entirely too rigid. Mrs. Grafton had given one of the "Wise Men" her Cotillion cologne mist to present the baby doll lying in a manger of hemlock boughs. --Yes I am sure you are way ahead of my story, the"wise acre" Wise Man fell to the temptation and sprayed some of the Cotillion under Josephs nose!

Report for the month just completed and voucher for month just beginning should be prepared in quadruplicate on the first of each month, and distributed as follows: a. Mail original (perforated copy) with voucher attached, to the Office for Field Service of the Board in New York or elsewhere as directed. b. Mail copies of report as directed by Synod or Presbytery headquarters. c. Retain one copy for church files.

MONTHLY REPORT, CONTINUED N (Original and [illegible] carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I have already reported on the results of the annual meeting.

For the rest, January has been a month of bad weather, heavy snows, with not a few days when activities had to be canceled. For only the second time in eight years, school was let out early one day to enable the school buses to make the return trips thru the snow while the highway department plows could convoy them.

It is a tribute to the people of the community that church attendance did not fall appreciably. One circle meeting was called off, and one recreation program, but for the most part other meetings were postponed till a later time.

Choirs were reorganized this month to provide a new choir for second and third graders and relieve the pressure on the Cherub choir which had expanded beyond the number of robes available. However, the splitting off of the group has resulted in both of the new choirs being expanded to capacity. Ruth ahs begun rehearsals on Mendelssohn's Elijah with a community chorus based on the adults' choir. Fifty-three showed up for the first rehearsal, and the limit will be set at 70 members. The performance will be in May, and the group then expects to go on tour to Juneau.

Youth Sunday was observed on the thirty-first, with nearly fifty young people taking part in the service. The members of the Junior Hi Fellowship led the service, and the Senior Hi group presented the UCYM play 'Seek Ye First' in place of the sermon.

ANNUAL CONGREGATIONAL MEETING January 7:

The Annual Meeting of the congregation of Haines Presbyterian Church will be held in the Rec Hall Thursday January 7th at 8 p.m. At this time finance and activity reports from the church and its organizations will be made and the budget for 1960 adopted. Election of officers - including two elders, three deacons, and three trustees, will also take place at this meeting. All members and/or contributors please attend.

COMMUNITY CHORUS TO SING 'ELIJAH' soon to organize:

Mendelssohn's great oratorio 'Elijah' will be the next venture of the Community Chorus under the direction of Ruth Hartmann. Rehearsals will begin as soon as copies of the score are received, and will be held each Wednesday night from 8 to 9 p.m. Watch for announcements posted in town. Everyone welcome to join the group.

RECREATION PROGRAM to recommence:

After being crowded out of the schedule by meetings and other events during the holidays, Recreation program at the Rec Hall will begin again January 14, with recreation for Juniors 7 to 9 p.m., teenagers 8 to 10 p.m.

MONTHLY REPORT, CONTINUED (Original and 3 copies to)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Chief development in the field during February, of course, was the announcement of the incipient closing of Haines House. This will have a serious effect on the community in many ways: the loss of two teachers from the public school due to the reduction in enrollment and hence income; the possible loss of the community's physician because of the reduction in his meager income at the termination of his contract with the Board; and the loss of leadership in community and church with the removal of so many qualified people at one time.

The sudden action of the Board has shocked and stunned people in church and community, for the reasons annexed to the move seem to us close at hand to have little validity, in fact to be distorted out of proportion. Repeatedly the statement has been made that the 'community doesn't want the Mission'. Yet a survey of the valley by the Chamber of Commerce this month shows that more than 90% of the population wants work like the present work continued.

In the church itself, the closing of Haines House will mean the loss of one active member from each of the three boards, Session, Deacons, and Trustees, and of three department supervisors from the Sunday School, as well as the Superintendent. It will reduce the enrolment of the Sunday School by one-quarter, and average church attendance by about 20%. Church income (on the basis of last year's pledges) will be reduced by 25%.

On the other hand, there are already signs that the emergency may bring increased response to the Church's efforts on the part of the townspeople. Several have already volunteered as Church School teachers. Of course, they do not bring the high degree of devotion and training that was represented by the Haines House group of supervisors, but this may be the fruition of the efforts in the past to make the church a Community church. Our Church School, also, may be more effective and better disciplined as it no longer has a large minority of children who resent being forced to come.

It looks as though a congregational planning retreat is in order later this spring in order to face the problems raised by the closing of the Mission; it can also face the problems of the forthcoming furlough. Unfortunately, because of Ruth's major operation this month, a rest time will be definitely necessary this summer, but I wish it weren't necessary. This is hardly the time to leave the church even for a time.

SMALL WORLD

If in our imagination we might compress the total population of the world (now more than two and a half million persons) into a town of one hundred people:

Of these 100 persons, only six would be Americans; the other 94 would represent the rest of the world. The six Americans would have half the wealth. The 94 would have to share the other half.

Three of the Americans in the town would be Christians and three would not. In the town as a whole, 33 would be classified as Christians (10 Protestant, 23 Catholic), and 67 would be something else. At least eight people in town would be believing Communists, and 37 others would be under Communist domination.

The six Americans would have 15 times as many possessions per person as all the rest of the people. These six would produce far more than they could eat, and they would eat better than any of the others. They would spend more money to store it, instead of giving it away, but would consider giving it away 'dangerous'.

Of the six Americans, the one with the lowest income would still be far better off than the average in much the rest of the town. Most of the non-Americans would be poor, hungry and sick; half of them would be unable to read or write.

Less than half would have ever heard of Jesus Christ or what he taught, and for what he lived and died. On the other hand, more than half would be hearing of Karl Marx, Lenin, Stalin, and Kruschev.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Two special emphases this month brought a ready response, the first the World Day of Prayer on the fourth, which attracted about 30 women and four or five men. The other, the One Great Hour of Sharing, which (with the books not yet closed) at least equaled last year's offering, and will probably go higher.

Ruth has been home all month, but a series of setbacks, none of them directly connected with her original trouble, have delayed her recovery. Consequently, my pastoral work has suffered somewhat, though the long hours at home have given me a greater opportunity to study, housework notwithstanding.

Otherwise, work continues about as usual.

MONTHLY REPORT, CONTINUED (1)

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The most gratifying thing in April has been Ruth's return to normal, or rather to about 150% of normal. The operation, a complete success in spite of delayed convalescence, has removed one contributing factor to her former fatigue, and leaves her full of energy and ambition. Her first attempt at activity was Easter Day, but since that time she has not had to let up at all.

Holy Week and Easter services were well attended. The newly elected officers, in training since January, were installed at the Maundy Thursday service. The Good Friday community service was held in our church this year, with Elmer Parker and the three local ministers beside myself taking part. Easter Sunday's three services were well attended, and the breakfast was a time of good fellowship. So amply supplied with hot cross buns and coffee, we had coffee hours after the two morning worship services as well.

The UPW circles, except for the morning one, did not meet because their regular time fell on Holy Thursday. However, the association meeting was extremely successful. The Klukwan women were guests, and a joint report on Presbyterial was heard. Oneof the circles has been learning a song in Thlinget, and sang it at the meeting.

A near-tragedy happened on the second of April, when our foster-child, Donny, found a match on the floor and played with it during his nap time. The resulting fire damaged his room upstairs, and smoked up the rest of the second floor. The damage came to over 400 dollars, not including bedding, clothing, and furniture, but Donny escaped with slight burns, and the fire department extinguished the blaze before it had spread.

OPERATION HOSPITALITY! Once again let us show our interest in Haines House: Invite someone from Haines House to your home for Sunday Dinner on Palm Sunday, April 10. Call Mr Wiley (245) or Mr Hartmann (246).

HOLY WEEK AND EASTER = This is the time to come to church even if (and especially if-) you haven't been coming regularly.

PALM SUNDAY: All choirs singing; distribution of the palms at the service, 11 a.m.

HOLY THURSDAY: Holy Communion at 8 p.m. is open to all Christians. Special choral liturgy and reception of new members.

GOOD FRIDAY: The protestant churches of the area join in the Community Good Friday Service, held this year in the Presbyterian Church, 1 to 3 p.m. "Come when you can, leave when you must."

EASTER SUNDAY: Sunrise service promptly at 6, followed by breakfast.
Morning Services at 9:30 and 11, identical except for the music. Come to either one.

I wish to express my sincere thanks to you all for your cards and letters, and for your kindnesses to me and my family in gifts of food and other things.
Ruth Hei...

Began 'furlough' officially May 9. The month has been largely spent working on Bromley Hall at camp. Church people have helped from time to time - totaling several hundred hours.

Highlite of May was the performance of 'Elijah' by our chorus. After a May 8 presentation at Haines, it was taken to Juneau for 2 performances over the May 20-22 weekend.

MONTHLY REPORT; CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Some general impressions from the first three weeks after my return on September 6th:

1) Tom and Connie Mori did an excellent job this summer. Many comments on the quality of his preaching and the willingbess of both of them to pitch in to anything that was handed them.

2) Attendance figures for September 1960 compared with previous years (in church and SS where Haines House attendance was compulsory) show only the difference equal to the number of Haines House children and staff. In other words, these figures show normal community participation.

3) The spirit of the groups is excellent. Youth activities are particularly 'alive' this fall. A new Junior society has been formed. For the time being Junior and Senior High groups are combined, but activity has doubled, with a serious program on Sunday nights and recreation each Saturday night that is free. Church school is building up again.

4) The passing of Haines House has removed a number of leaders, especially in the Sunday School, and some officers, from our 'family'. But equally serious is the fact that an even greater number of active leaders have moved from the community during the past six months, mainly for economic reasons. We are faced with a burgeoning program, and a dearth of leaders to run it. The only exception is the choirs, where ~~mmm~~ those who left town have not been particularly active.

5) A poor summer plus the phenomenon I noted at the last furlough time, a slackening of stewardship effort, has resulted in a very low income for the church during the summer. This, coupled with the double expense at furlough time, leaves this congregation in rather struggling circumstances. At the three-quarter mark, only half the budget for current expenses had been raised. General mission is better off, being nearly up to its goals.

MONTHLY REPORT, / CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

A month of getting the program under way. Choirs have settled down to business, and youth activities are continuing to be responsive.

The special offering on October 23 for the 'Macedonian Call' reached $96 - a rather unexpected figure considering the poor summer season and the general economic stagnation in the community. Benevolences are nearly paid up for the year.

The young people of all groups joined [redacted] in the 'Trick or Treat for UNICEF' again this year, for a very successful collection.

I was absent from the field twice: for the Presbytery and Christian Education Committee meeting in Juneau during the first week; and later, as a witness in a lawsuit. The latter was brought against the members of the city council, myself included, by one of our members. In testifying against him, I have probably lost a member for the church, but the opportunity to rub shoulders with several persons who have not been reached by the church up to now may help to make up for this. Our member's questionable ethics and edge-of-the-law practices have not particularly helped the church's status in town anyway! It has been interesting to talk with people who express surprise that the preacher will take sides.

The city council and the PTA represent the only community activities in which I am engaged outside of church-related projects and youth work. I have not at any time had cause to feel that in this activity I have wasted my time or the church's.

UNIT

MONTHLY REPORT, -CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I have been absent from the field a total of 13 days out of this month, due to 1) the Camp and conference committee meeting at Ellensburg, Washington Nov. 4,5; 2) the joint Presbytery meetings with the Alaska Study Committee, Nov 7 to 11; 3) the meeting of the South of the Alaska Presbytery at Anke Bay, Nov 25 to 27.

I consider the latter meeting one of the highlights of the year.

Fortunately, this involved only one Sunday's absence from the pulpit. Earl Ward, one of our trustees, and the school principal, preached for the Sunday service on November 6th.

Two special services were held during the month: On November 10th, the movie 'Mark of the Hawk' and on November 24th, a union Thanksgiving service in which the Baptist, Assembly of God, and Bible Churches participated.

Nearly fifty voices are on the roll for the performance of the Messiah to be given at the church on the 18th of December. However, many of our activities have suffered from a current epidemic of mumps which has hit adults as well as children. So far, our family remains mumpless.

Our congregational meeting, held after service on November 13, refused to accept the reduced budget proposed by the trustees, and voted to continue support of the pastor's salary and the benevolence budget at the same level as last year.

Meetings of the trustees and session have recently studied the land situation and requested the setting aside of the area along Front Street as site for future expansion of the church.
